WORLD CHAMPIONSHIPS 2015  
CHEILE GRĂDIȘTEI - ROU**

## Dear Biathlon Friends,

I have the great pleasure to invite all athletes, coaches and officials to the IBU Summer Biathlon World Championship 2015 which will be taking place in Cheile Grădiștei (ROU) from 26-30 August.

Cheile Grădiștei will be hosting the IBU Summer Biathlon World Championship for the first time, but I can assure you that the Regional Winter Sport Center "Biathlon Arena Cheile Grădiștei" possesses a great stadium and holds the IBU B License. I can also confirm that the local Organizing Committee is doing it's very best to ensure fair conditions and unforgettable competitions for

all the teams.

With the winter season having come to a close, many athletes are now looking forward to the IBU Summer WCH at the end of August. It was at times a difficult winter season with tough weather conditions that made our athletes even better and allowed our officials to rise to some high challenges. The experiences of the past winter have brought the international biathlon family even closer together and many will be very happy to meet again in the summer.

I wish the Organizing Committee the best of luck with its preparations for the IBU Summer WCH and all athletes a great summer with lots of success in their training and preparations for the summer competitions and coming winter season.

*IBU President*

## Dear participants,

I know, as well as you, what the memory of a well-organized competition is like, in which the athletes' only concern is to reach the top of their form for which they worked hard all year.

As an athlete, I wandered all around the world at all the major competitions where for many times I experienced the joy of triumph. But beyond medals and awards, places and people I've met always remained in my soul.

And so now, as Minister of Youth and Sports in Romania, I accepted the Presidency of the World Championship Organizing Committee Biathlon - Summer Edition 2015. I accepted it because I want our name, the Romanians name, to be linked not only to our athletic world level performances that we achieved in many disciplines, but

also by what we can do in the organizational department, hosting high level competitions.

In 2013 we were praised for organizing EYOF in Brasov. Last year, the same words of appreciation were received from FIS on organizing for the first time two stages of World Cup Ski Jumping, to refer only at major winter sports high level competition.

I am also convinced that at Cheile Grădiștei, where we will organize this year's edition of the World Championship Biathlon - Summer you will feel great, and this is because we, Romanians are recognized as very good hosts.

I am sure many of you will return to Romania, at Cheile Grădiștei, not only for the beauty of places, not just to visit again the famous Bran Castle, found at very short distance, but you will find here, in the heart of the mountains, an excellent location for training, competition and recovery for both summer and especially for winter sports, as there are not many in the world.

We welcome you and wish you great success!
