# Invitation

# IBU SUMMER BIATHLON WORLD CHAMPIONSHIPS

2014

## Dear participants!

I am glad to welcome the strongest biathletes of the world, organizers, sports referees, guests and fans at IBU Summer Biathlon World Championships! The event of such level takes place in our region for the first time but we did our best to all - participants and judges and fans of biathlon - have fun and enjoy our tournament.

We sincerely hope that our hospitable Siberian land will help our Russian biathletes to perform successfully on the tracks of Regional winter sports center "Pearl of Siberia", and of course we wish good luck and successful performances to our guests from other countries. We look forward to biathlon fans from all over the world to root for the athletes with the bated breath, together with them, watching the traditional sprint, pursuit and mass start, and wait for new discoveries in the world of biathlon.

The past season became very important for Russian team: at home Olympics we managed to win medals of all values both in personal and team races. An incredible achievement and significant result was the gold medal in the men's team relay race in Sochi. Moreover I should note a bronze medal of our countryman Yevgeny Garanichev. We are happy he managed to bring medal of home Olympics to the Tyumen land and become a symbol of our region at the world level, an example for the coming generation of biathletes.

All these results are encouraging and give strength for new achievements, because you cannot relax and stay for a second. We must continue to prepare - today we discover the IBU Summer Biathlon World Championships in Tyumen, and we are waiting ahead races of World championships and the World Cup on the best complexes tracks of planet. We should not forget that with the end of the Olympics in Sochi a new four-year Olympic cycle has started for athletes, and now again it is necessary to exert best efforts to make its own Olympic history.

I wish all the participants an inexhaustible will to win, good luck and marksmanship!

Governor of the Tyumen region  
VLADIMIR YAKUSHEV
